

When deciding on your small group Service projects—the project must fit into one of these 4 categories:

Environmental i.e. clean up, planting, painting, organizing, preparation, collection

Education i.e. information, health, diversity, community, organizing, discussion

Public Safety i.e. disaster preparedness, education, awareness, training

Human Services i.e. information, health, seniors or children, basic needs focus, coordinating, organizing providing

❖ Fundraising ideas must be discussed and approved by CORE Susquehanna staff

Past Projects include:

- Partnered with Kelsey's Dream and had a sewing party to make hats for children diagnosed with cancer
- Suitcase drive to benefit the homeless population
- Baby Drive-proceeds to benefit Project Elect/Parenting and Pregnant teens
- Carnival @ Senior Living facility
- Blood Drive
- Bullying education at a local school district
- Park cleanup
- Basket auction to benefit a community pool

Small Group Guidelines

1. Be prepared for meetings
2. Identify a facilitator and scribe (you can take turns)
3. Upon completion of each meeting, email the minutes to your small group members and Robyn at rrinck@union-snydercaa.org
4. **All members** are required to participate in meetings and the project
5. **All members in the small group are expected to come to an agreement and work together. Keep in mind, you may have to compromise for the "good of the group."**
